Message From Our Leadership

CLAUDIA KIRK BARTO

President, Junior Achievement of the Palm Beaches & Treasure Coast

TREY FOGG

Board Chair, Junior Achievement of the Palm Beaches & Treasure Coast

Dear Junior Achievement Community,

As we reflect on the 2023-2024 school year, we are thrilled to share the remarkable milestones we've achieved together in supporting the futures of our local youth. It is with immense pride and gratitude that we present our latest Annual Report, which celebrates the transformational work we've accomplished over the past year to empower the next generation.

Since our inception in 1981, Junior Achievement of the Palm Beaches & Treasure Coast (JA) has been a beacon of hope, education, and opportunity for over one million K-12 students. This past year, we reached new heights, serving a record-breaking 167,666 students. This success is a testament to our community's collective resilience, adaptability, and unwavering commitment to our mission.

In addition to our ongoing programs, we were excited to launch the new JA Career Exploration Fair in partnership with The School District of Palm Beach County in September 2024. This program has already created invaluable opportunities for students to explore diverse career paths, gain insights from professionals, and build aspirations for their futures.

This success would not have been possible without the dedication of over 1,000 volunteers who contributed their time, expertise, and enthusiasm. Their commitment to empowering our students is at the heart of our work and has allowed us to deepen our impact across our communities.

In closing, we extend our heartfelt thanks to each of you - our supporters, volunteers, and partners - for your invaluable role in our mission. We look forward to continuing this journey with you to create a world where young people have the skills and mindset to build thriving communities. Thank you for being a part of our vision and for making such a difference!

Working with students can be incredibly rewarding:

I love making these lessons engaging and interactive, because I believe that when learning is fun, it sticks! As JA College Champions, we're not just teaching skills; we're igniting their potential for a brighter future.

ABOUT JAPBTC

Junior Achievement of the Palm Beaches & Treasure Coast (JAPBTC) is dedicated to giving young people the knowledge and skills they need to own their economic success, plan for their future, and make smart academic and economic choices.

Junior Achievement was founded in 1919 and, locally, our chapter was created in 1981 by the West Palm Beach Rotary Club.

Federal ID: 59-2333738

Our Board of Directors gathered with JA staff for our annual Board Retreat, which proved to be a day filled with inspiration, strategy, and renewed commitment to our mission.

OUR PROVEN SUCCESS

Junior Achievement's proven lessons in financial literacy, work and career readiness, and entrepreneurship are shown to positively impact the lives of young people. These lessons align with national and state educational standards and are delivered to millions of students across the country with the help of our education partners and volunteers.

OUR MISSION

To inspire and prepare young people to succeed in a global economy through classroom programs and simulations that focus on financial literacy, workforce readiness, and entrepreneurship.

OUR VISION

A world in which young people have the skillset and mindset to build thriving communities.

JA PROGRAMS

Served Students (K-12th Grade)

We offer programs for K-12th grades, with age-appropriate curricula aimed to teach elementary students about their roles as individuals, workers, and consumers, and to prepare middle and high school students for key economic and workforce issues they will face. In addition to bringing the free enterprise system to life in the classroom, JA programs teach students the importance of staying in school.

3DE BY JA AT LAKE WORTH HIGH SCHOOL

A MESSAGE FROM DIRECTOR OF 3DE & VOLUNTEER ENGAGEMENT

While JA has enabled students to participate in the program, its success ultimately depends on the effort each student invests by committing to it daily—and even more so on the dedication of teachers and administrators who go above and beyond to make it a success.

The dedication of these educators shines through in the many ways they go the extra mile for their students—integrating complex curriculum into their lessons, attending field trips and culminating events, and even stopping by colleagues' classrooms during planning time to coach students. Your efforts are deeply appreciated, and we are grateful for every member of the 3DE team and the entire Lake Worth High School community.
